

## Board Organization

To strengthen the Corporate Governance and promote the sound development of the composition and structure of the Board of Directors, the "Corporate Governance Code of Practice" formulated by the Company contains a diversification policy of the Board of Directors members. As per policy: the composition of the Board of Directors shall take into consideration the company operation structure, business development orientation, future development trend and other needs, and shall evaluate various diversified aspects e.g. basic conditions and values (such as gender, age, nationality and culture, etc.), professional background (such as law, accounting, industry, finance, marketing or technology, etc.), professional skills and industry experience, etc., who are generally prepared with the knowledge, skills and accomplishments necessary to perform the duties to achieve the ideal goal of Corporate Governance.

The 12th Board of Directors of the Company (re-elected in June 2023) consists of 13 directors, including 9 directors and 4 independent directors. All independent directors shall not serve more than three consecutive terms. Director members with the role as an employee account for 23% of all director members and 31% of all directors. Percentage of Female Directors is 23%. There are 4 seats among the directors occupied by a familial relationship within the second degree of kinship, accounting for 31% of the total. Independent directors and their familial relationship within the second degree of kinship, and between independent directors and directors, do not have spouses or familial relationship within the second degree of kinship, in accordance with Article 26-3, paragraph 3, and paragraph 4 of the Securities and Exchange Act. None of the members of the board of directors have situations listed in Article 30 of the Company Act. In addition, most director members have rich experience and expertise in finance, business and management, and can fully assist the company in formulating major policy orientations and responding to market crises.
